

April 2024

Spring has officially sprung, and hopefully this month will be full of April showers! On Friday, April 26th, we will have our annual **Fiesta at Mother Earth!** This is one of our favorite events every year. That day, we will be selling yummy food items like pickles and nachos, and we will be playing fun games outside on our basketball court! We will email out more information closer to that day. Lastly, we will be having another fun **PJ Day** on Friday, April 12th, followed by a **Field Trip** to the Dollar Store on April 17th! Can't wait for such a fun month together!
